

Paper Shredder Machine

- roto s 160 compact shredders, designed especially for Desk Side Use in small offices.
- The very low running noise makes it a popular member in any busy office. Thanks to its compact dimension the roto® S160 placed next to any desk bringing effective data protection with easy reach of the user.
- Its price-performance ratio makes the roto® a unique machine. The waste bin can be emptied without lifting the cutting unit and the machine will automatically turn off when the receptacle is removed for complete safety.
- This series is available in Strip-Cut or Cross-Cut depending on your security requirements. This new design no longer requires oiling which is unique for Cross-Cut shredders.

Feature :

- Cut CD/ Credit card with dual slot, with emergency stop switch
- Attached separate CD bin
- Bin full sensor and overheat protection with LED indicator
- Caster wheel
- Power/Ready LED Indicator
