

The ultimate Large Department Shredders.

The **roto® S 700 series Office Shredders** are designed for the **large department that has multiple users and high volume**. This attractive series has a huge dust-free waste bin, wide throat, is quiet, fast and very powerful for **high volume continuous use**. Its special design destroys everything from wide continuous forms to general office papers and **special models are available for the destruction of credit cards, CD/DVD's and floppy discs**.

The operation is very easy and fast:
As soon as you present the paper – **up to 50 sheets at one time** – the shredder automatically starts to work. After the shredding process the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy removal of miss-feeds. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.).

Cutting system:
The cutters are made of **special tempered steel** and will accept small clips and staples **guaranteed for 5 years**. In addition this series is available in models that can **destroy credit cards, CD's and floppy discs** (except S 700 HS-5).

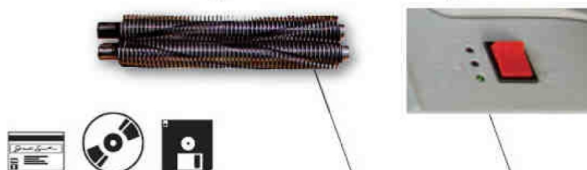

- The series S 700 is available in the following models:**
- Strip Cut: **S 700 SC-1**
 - Cross Cut: **S 700 CC-3 / S 700 CC-4 / S 700 HS-5**

- The highlights of the series S 700 are:**
- Automatic On/Off control and reverse function
 - Different cutting type's incl. security level from 2 to 4
 - Multi media destruction of credit cards, floppy discs and CD/DVD's
 - Large cabinet with casters that is mobile
 - Easy dustproof emptying of the waste bin with changeable PVC bags
 - Durable very large 170 litre waste bin
 - Automatic Stop when the bin is full and/or when the door is opened
 - Appropriate for continuous use
 - Exceptional price-performance ratio

Accessories:
For better shredding performance of the **Cross Cut models** we recommend the use of our **special shredder oil**. We also supply the appropriate **PVC bags**.
