

**The ultimate Small Office Shredder.**

The **roto**® S 300 series Office Shredders are **robust fast all-round performers**. Thanks to their compact dimensions and the paper feed on the front side these models can be set up under or next to every desk. S 300 series offered in both strip and cross cut.

The operation is very easy: As soon as you present the paper – up to 27 sheets at one time – the shredder automatically starts to work. After the shredding process the machine will stop automatically.

**Cutting system:**  
The cutters are made of **special tempered steel** and will readily accept small clips, staples and credit cards **guaranteed for 5 years**. The S 300 SC-0 / SC-1 / CC-3 are designed to accept CD's as well.

The series S 300 is available in the following models:

- Strip Cut: S 300 SC-0 / S 300 SC-1 / S 300 SC-2
- Cross Cut: S 300 CC-3 / S 300 CC-4

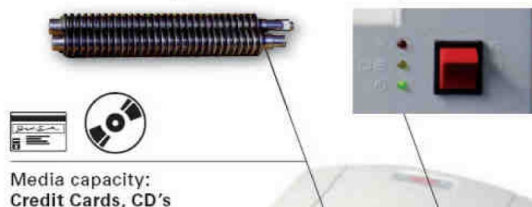

The highlights of the series S 300 are:

- Automatic On/Off control
- Automatic reverse function
- 5 different cutting types
- Stable wooden cabinet
- Durable waste bin with optional dust-free PVC bag
- Waste bin can be also used as receptacle for normal waste paper
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

**Accessories:**  
For better shredding performance of the Cross Cut models we recommend the use our special shredder oil. We also supply the appropriate PVC bags.

5 years warranty on the cutting units

Easy and clear manipulation

Media capacity: Credit Cards, CD's

Bin can be used as receptacle for normal waste paper

Waste bin with PVC bag enabling dust-free emptying
